

## **Emily Wells**

Emily Wells has worked in the NHS since 2003, Emily specialised in orthopaedics early on and quickly found her niche within surgery, completing a Post Grad Diploma at Masters level and becoming an Independent Nurse Prescriber. Whilst working as a Surgical Matron, Emily was asked to lead on the implementation of Cerner at an integrated South London Trust. Emily has worked leading on digital projects for past 10 years and became CNIO at the Norfolk and Norwich in 2 years ago.

Emily became a Florence Nightingale Foundation Digital Leadership Scholar in 2020 and was awarded CNIO of the Year 2021 for her work on the implementation at the NNUH of a technology enabled virtual ward.
