

## **Helen Reeves**

Helen Reeves is the Head of Specialist Services at St Giles Hospice and her role involves oversight of clinical services. In addition, Helen is also complaints lead, deputy senior information risk owner, freedom to speak up guardian and lead nurse for dementia. Helen has past experience of managing community services for St Giles Hospice, as a clinical lead for a District Nursing Team and has also worked in inpatient hospital settings. Helen is a member of the Q Community and is also on the editorial board for the Nursing Management RCNi journal. Helen has a Bsc (Hons) in Adult Nursing, PG Dip in Specialist Nursing practice and an Msc in Healthcare Leadership. Helen is passionate about improving end of life care for everyone regardless of setting or diagnosis. Helen's other passion is leadership and growing the workforce of tomorrow.
